

Dear Parents,

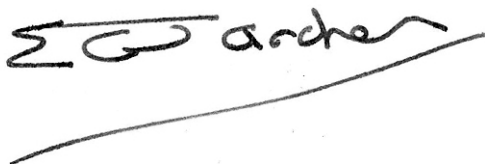

4th July 2008

We are writing to update you about the proposal to amalgamate Yateley Infant School and St Peter's School to form a primary school.

Following the outcome of consultations held earlier this year about the above proposal in principle, Hampshire County Council has informed both schools of its intention to proceed with a specific proposal to open a 210 place, voluntary controlled primary school in September 2010 on the present Yateley Infant School site. The County Council is now required to consult on this specific proposal and will be writing to all parents and interested parties in September to seek their views and comments.

Both schools' Governing Bodies are pleased to see progress being made on this important issue and are excited by the opportunity to create a primary school for our community.

Yours sincerely
