Headteacher's News

Dear Parents,

Huge thanks to everyone who has contributed to the - 'Operation Christmas Child' shoe box appeal. The boxes look fabulous and will really make a difference to children and families around the world. All your efforts are greatly appreciated.

Our Year 6 children led a whole school assembly today and invited their parents to join them to hear all about the challenges and exciting activities on their visit to the Isle of Wight. The assembly was brilliant - the power point presentations and videos showed the children smiling all through the week and thoroughly enjoying themselves. It was a unanimous decision that they all had fun and that they would like to try the activities again!

This week has been **National School Meal Week** and the children have enjoyed designing healthy lunch menus. The whole school voted on the various menu choices and selected spaghetti bolognaise, vegetarian pizza, strawberry jellies and fresh exotic fruit kebabs to be cooked and prepared for Thursday. We all had a very delicious lunch with menus on the tables - very many thanks to our fantastic cook, Mrs Coates, for preparing the children's choice of menu - it was so successful we are looking forward to repeating this activity again some time in the future - Jamie Oliver would be proud of us all!!

Enjoy the weekend.
Best wishes.

Luke & Ryan Woodward were competing in the National Finals of Supadance (the whole of England were competing). They both did supporting competitions which is when the boys with their partners were on their own competing against other couples. The results of this were:

Luke and Jade got through all their heats and managed to get in the final 6 couples (this was in Ballroom – Waltz and Quickstep), they actually won the competition and gained **1st place in an Under 8's competition.**

Ryan and Rhianna were doing the same competition but in the Under 12's against roughly 100 other children in their age group. They did so well too, the competition was extremely hard with a very high standard. They also got into the final and gained **2nd place overall.**

We are collecting these tokens in school. Thanks for all your generous donations so far and we are very happy to receive some more...
