St Peter's C.E. Junior School Home - School - Pupil Agreement

We are a Church of England School, serving the local community of Yateley.

We aim to create a secure, safe and caring environment, where pupils feel valued and are listened to. The school provides a challenging curriculum, which ensures all pupils reach their potential target.

We encourage independence and enthusiasm for learning, raising pupils' self-esteem. The school creates a supportive partnership between the school, parents and the wider community.

We encourage respect for ourselves and other people's beliefs, customs and opinions. We teach about children's rights and responsibilities.

We work to develop the spiritual, moral, social and cultural aspects of children's learning
